

Refrigeration Anywhere

OASIS MIR

The ultimate solution for creating impulse opportunities, daypart selling flexibility, cross-merchandising within a department, grab & go meal solutions, and promotional placements.

OASIS MIRF

Consider the Possibilities

With Mobile Oasis® Island units from Structural Concepts, you can **position refrigerated goods anywhere** in your store or location, **improving the buying experience** for your shoppers while incorporating unique upsell and impulse-buying opportunities.

SIMPLE & EASY.

Toggle switch communicates with the controller to automatically change set points to yield desired case temperatures.

Slide-out refrigeration system provides complete & easy access to all components for efficient maintenance & service, no tools required.

Clean Sweep® automatic condenser coil cleaner option available. This electronically controlled brush mechanism automatically cleans dust & debris from the condenser coil daily.

A+ PERFORMANCE.

Air flow design and deck perforations provide a consistent and balanced temperature range throughout the product area.

Product display height of 8-1/4" provides additional capacity with exceptional visibility & easy customer access.

Breeze self-contained refrigeration provides dependable consistent product temperature.

BUILT TOUGH.

Corrosion resistant stainless steel inner tub and fan shroud and coated evaporator coil available. Special corrosion resistant pre-coat applied before paint to protect surfaces from harsh cleaners and product juices.

All internal components are easily removed for cleaning.

Plug and play mobile design allows display to be moved wherever needed in store.

VERSATILE.

Three temperature settings, 0°F (frozen), 38°F (red meat) & 40°F (ref. product), allow operator to easily vary case temperature to provide the appropriate product environment for intended display use.

Air discharge design features a small heated insulated glass top panel & acrylic plenum to create a durable & permanent air chute.

Locking casters provide easy mobility.
