DELIVERING FRESH. ALWAYS.™

## The Harmony Collection

A collection of solutions to display and sell fresh food in various locations and departments using service and full-service applications.

# A Winning Solution

The Harmony refrigerated service cases and self-service cases are a perfect fit for bakeries, delis, convenience stores, supermarkets, micro-cafes, airports, and anywhere else baked goods and prepackaged food and meals including sandwiches, salads, sushi, yogurt and fruit, and beverages are sold.

## The Ultimate in Flexibility

The combination convertible service above refrigerated self-service case is ideal for locations that offer grab and go beverages and food in tandem with bake goods and sandwiches.

## Increase Point-of-Sale Purchases

The low-profile cases are made to increase POS opportunities featuring a narrow depth that fits conveniently through standard 36" door openings for easy delivery, installation, and customer use.
