ADDENDA PC5682
Self-Service

Specifically designed for merchandising grab-and-go, freshly baked donuts, pastries, bread rolls, buns, and bagels in the bakery department.

- Three different sizes to choose from for convenient grab-and-go options.
- Features two full-length end panels with mirror interior, clear glass swinging front doors that are self-closing to ensure preserved food quality.
- LED-lit tray support shelves to enhance the product on display.
- Stock baked goods, both prepackaged and unpackaged, for any bakery space.
