

## How To Create a New Product in Instant Systems

1. Navigate to <https://admin.instantsystems.se/#STARTPAGE>

2. Click the "Username" field.

3. Type "Username"

4. Click the "Password" field.

The image shows the Instant Systems login interface. At the top is the logo with a red 'IS' icon and the text 'instant systems'. Below it is a 'Log In' form. The form has two input fields: 'Username' with the text 'Scott.VanDonkelaar' and 'Password' which is currently empty. A blue circular cursor is positioned over the password field. To the right of the password field is an eye icon. Below the password field is a 'Remember me' checkbox, which is unchecked. At the bottom of the form is a red 'Continue' button.

5. Type "Password"
6. Click "Continue"

This image shows the same login form as the previous one, but now the password field is filled with a series of dots. A blue circular cursor is now positioned over the red 'Continue' button.

7. Click "Access"

This image shows the final step of the login process. The 'Continue' button has been replaced by an 'Access' button, which is highlighted with a blue circular cursor. The text 'Select endpoint' is visible above the 'Access' button.

8. Click your Company name.

9. Click "3 Line Menu Button".

10. Click "Network".

11. Click "Inventory".

### 13. Click "New Product"

## 23. Type "Total Price plus Tax" that the customer will be paying.

24. Click the "Tax Rate" field.

The screenshot shows the 'New Product' form in the Structural Concepts web application. The form is divided into two main sections: a table on the left for product details and a form on the right for pricing and permissions. The table on the left has columns for 'Product Name', 'Article Number', 'Product Description', and 'Image Url'. The form on the right has sections for 'Product', 'Permission', 'Price', 'Price type', 'Product Relations', 'Details', 'Media', and 'Categories'. The 'Price' section is highlighted with a red bar, and the 'Tax Rate' field is highlighted with a blue circle.

The 'Price' section on the right contains the following fields:

- Total Price:** 5.00
- Tax Rate:** 6 (highlighted with a blue circle)
- Price:** 0
- Tax:** 0
- Price type:** (dropdown menu)
- External Cost:** 0

25. Type Tax Rate as a whole number (i.e., 6% = 6).

26. Click the "+" button. This will calculate the Base Price and the Tax Amount.

The screenshot shows the 'New Product' form in the Structural Concepts web application. The 'Tax Rate' field is now 6, and the 'Price' and 'Tax' fields are highlighted with a red circle. The '+' button is also highlighted with a blue circle.
